

New Jersey's
cleanenergy
program™

REDUCE HIGH ENERGY BILLS!

ELIGIBLE PARTICIPANTS MAY RECEIVE:

Installation of cost-effective, energy efficiency measures in the home, which can include:

- Efficient lighting products
- Energy-saving showerheads and aerators
- Replacement of inefficient refrigerators and thermostats
- Insulation upgrades (attic, wall, etc.)
- Blower-door guided air sealing; duct sealing and repair
- Heating/cooling equipment maintenance and other measures
- Comprehensive, personalized energy education and counseling

*All efficiency measures and energy education services are provided **FREE** of charge.*

The New Jersey Comfort Partners Program is a free, energy saving and energy education program for income-eligible customers, helping you save energy and money. Certified Building Performance Institute contractors will install energy-saving measures in your home to help lower your energy bills. You'll also be shown new ways to conserve energy and learn how to create an Action Plan to support your efforts.
